April 2024

Who's your Legs Matter Changemaker?

RESHAPING CARE
TOGETHER...

IN RECOGNITION OF OUR PLATINUM PARTNERS

**LEGS
MATTER!**

legsmatter.org

We want to celebrate the people who are making a difference to end the hidden harm crisis in leg and foot care. That's why we're launching the Legs Matter Changemaker Awards.

There are three categories to acknowledge the exceptional work being done by healthcare professionals, healthcare teams and patients.

Changemaker Champion

A healthcare professional who has made an outstanding contribution in the treatment of leg and foot conditions.

Together for Change Award

A healthcare team that has worked together to create positive change in the treatment of leg and foot conditions.

People Power Award

A patient or member of the public who's doing outstanding work to heal their own leg or foot condition or to support someone with a leg or foot condition.
